- 2. Areas 6 & 7
Openings shall be announced by emergency regulations based on in-season harvest management considerations, under provisions of the PST Annex for chum salmon.
- 3. Areas 6A, 6B, 6D
Closed through the end of the management period.
- 4. Area 12, 12A (south of an E-W line through Pt. Whitney)
May open 10/13 to 11/20. Openings will be announced by in-season emergency regulations.
- 5. Area 12B
May open 10/20 to 11/20, except north of an east-west line from Zelatched Point to Seal Rock open through 11/20; openings by in-season emergency regulations.
- 6. Openings shall be announced by in-season regulations.

III. SPECIAL CLOSURES AND REQUIREMENTS

- 1) No marine nets may be operated closer than 1,000 feet from any stream or river mouth which is not open to fishing. The river mouth shall be defined at the point where the stream enters the sea at mean low tide. At Big Beef Creek, the mouth shall be defined by the Seabeck Highway crossing.
- 2) The area within $\frac{1}{4}$ mile from the mouth of the Pysht River shall be closed to net fisheries whenever that river is closed to commercial harvest.

IV. EMERGENCY REGULATIONS

Openings as well as restrictions outlined in these regulations may be modified at any time by emergency regulation based on in season management considerations.

V. EXPECTED EFFORT AND HARVEST

Expected effort is less than 10 vessels, the Lower Elwha Klallam Tribe intends to fully harvest their lawful share of chum salmon.

VI. AUTHORITY

This regulation is promulgated by the Lower Elwha Klallam Fisheries Manager under authority specified by the Lower Elwha Klallam Fishing Ordinance, Third Edition.
