

Public Comment - LIHEAP & LIHWAP

The purpose of this form is to provide feedback on The Lower Elwha Klallam Tribes, LOW INCOME HOUSEHOLD ENERGY ASSISTANCE PROGRAM (LIHEAP) and LOW INCOME HOUSEHOLD WATER ASSISTANCE PROGRAM (LIHWAP) Model Plan for FY2022. Responses may be submitted per methods described below. Responses must be submitted by Wednesday, 8/18/2020 by 4 PM.

The FY22 MODEL Plan for LIHEAP and LIHWAP are available for Public Comment. A hard copy can be picked up at Social Services and digital copy is available at www.elwha.org

A major change for LIHEAP this fiscal year is that we're requesting to change from using Federal Poverty Level (FPL) Income Guidelines to State Medium Income (SMI) Guidelines to help increase the families in our community who could be eligible. We have some working families who are outside the income guidelines for FPL but who would benefit from the assistance. All other application and documents requirements will remain the same.

Response can be submitted by the following methods
